

The Rainbow School's Inclement Weather Policy

Dear Parents:

As many of our staff members live in outlying areas, it is our policy to follow the Issaquah School District's lead during inclement weather.

During inclement weather, please check the early morning news for school-related weather announcements. We will post a message to this effect on our telephone answering service as soon as a decision is made. Typically, this decision is made between 5:00 and 6:00 am.

If the Issaquah School District closes due to inclement weather: The Rainbow School will be closed.

If there is a two-hour delay in start time: The Rainbow School will open at 10:00 am.

There will be NO Preschool A, Preschool B or Preschool C programs for the day
There will be NO AM transportation to the local elementary schools
The first meal we serve will be lunch

If there is a one hour delay in start time: The Rainbow School will open at 9:00 am.

Preschool A, Preschool B and Preschool C will start at 10:15 am
Transportation to and from the local elementary schools will be provided.

Whenever snow, slush, and/or ice remain on the roads throughout the day please be prepared for Rainbow School to close at 4:00 pm with the \$1 penalty fee being charged for each minute you are late beyond 4:00 pm

If the Issaquah School District closes early and their afterschool activities and childcare is cancelled, Rainbow School will close at 4:00 pm

If it begins to snow during the day, please call Rainbow School to see if we will close early.

Please understand that we enforce this policy not to add to your burden but because we want our Staff Members to have an equal opportunity to reach their homes and family safely without risk of potential harm.

With best regards,

Mary
